

INTERNATIONAL ORGANIZATION - 1944

The Executive Board of the National Federation of Temple Sisterhoods appeals to the President of the United States and to the Secretary of State to take immediate steps toward the creation of a general international organization, which we are not defining, which has been declared necessary by the Congress of the United States and which was included in the Four-Power pact at Moscow. Furthermore, We urge the units and members of the National Federation of Temple Sisterhoods likewise to appeal to their representatives in Congress in behalf of this action.
