

POINT IV - 1953

Whereas, Point IV under the Mutual Security Administration of the United States has given hope to millions of unfortunate people and set them on the road to better health and to self sufficiency, and

Whereas, we believe that well-fed, healthy populations who can sustain themselves are the best insurance for a free world,

Therefore, be it resolved, that this 19th Biennial Assembly of the National Federation of Temple Sisterhoods upon behalf of its United States members urge the President, the State Department, and the Congress of the United States to support the Point IV Program and strengthen it as much as possible.
