

Advocacy Update

Sent May 16, 2012

During the fight on the Senate floor to pass the Ledbetter Bill, Senator Barbara Mikulski (D-MD) said “Ladies, put your lipstick on, square your shoulders, and get ready to do battle. This calls for a revolution!”

She now needs our help for the next equal pay battle – passing the Paycheck Fairness Act in the Senate. Within the next few weeks, we expect a vote on the Paycheck Fairness Act. The vote could come at any moment, so please contact your Senators today.

Go to the [Religious Action Center website](#) for more information and to send an e-mail urging your Senator to support the bill.

The last time the Senate voted on the Paycheck Fairness Act, it fell just a few votes short of moving forward. With a vote expected in the coming weeks, we need to make sure your Senators hear from you now.

Thanks for taking action today.
